

PC140 Keep your own style

- ▶ The discreet, comfortable and flexible neck band doesn't cramp your style and delivers great sound performance
- ▶ Ideal for gaming, internet telephony and other voice over IP applications
- ▶ Lightweight and ideal for on the road, it can be used with portable players like CD/DVD/MP3

The PC 140 gives you the individual look you want. Use it at home for intense gaming or on the road with a CD, DVD, or MP3 player. Fold up the mic boom and pack it in your bag until the next time you get a craving for powerful, beautiful sound.

- ▶ Adjustable, bendable and pivotable microphone makes the voice more clear and increases comfort and flexibility
- ▶ The noise-canceling microphone provides for high speech-clarity and voice recognition by filtering out the noise around you
- ▶ With the in-line volume control and the microphone mute switch you can keep sound at the right level or have a side conversation in privacy
- ▶ Equipped with a single-sided cable for maximum freedom of movement
